Dear Chairman Cole and Ranking Member Quigley:

I am requesting funding for the Third Street Improvement Project – McMinnville, OR in fiscal year 2024. The entity to receive funding for this project is the City of McMinnville located at 220 NE Second Street, McMinnville, OR 97128.

The funding would be used for road construction and repair through a downtown corridor that intersects with Oregon Highway 99W at two significant intersections. The project is an appropriate use of taxpayer funds because the road is essential for the continued economic viability of the city of McMinnville and for safety for those crossing through downtown.

The project has a Federal nexus because the funding provided is for purposes authorized under 23 USC, Section 133, Surface Transportation Block Grant Program.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andrea Salinas
Member of Congress
