Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Carlton Sewer Collection Pipe Replacement in fiscal year 2024. The entity to receive funding for this project is the City of Carlton, OR located at 191 E Main Street, Carlton, OR 97111.

The funding would be used for replacing sewer pipe to upgrade ageing sewer mainlines under Main Street in downtown Carlton. The project is an appropriate use of taxpayer funds because working sewer systems are critical for ensuring health and economic development of the community. Further, it will prevent worse and more costly damage from overflows and possible seismic activity.

The project has a Federal nexus because the funding provided is for purposes authorized in in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andrea Salinas
Member of Congress
