The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Dallas' La Creole Node Sewer Project, located at 187 SE Court St, Dallas, OR 97338.

Funds will be used to extend the City's sanitary collector sewer system to a 222-acre development area, the La Creole Node, that currently can't be developed further due to lack of sewer service. It is a valuable use of taxpayer funds because it will generate economic development and protect surrounding areas from possible septic leaks.

The project has a federal nexus because the funding provided is for purposes authorized in Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
