Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Dayton Civic Center in fiscal year 2024. The entity to receive funding for this project is the City of Dayton, OR located at PO Box 339, 416 Ferry Street, Dayton, OR 97114.

The funding would be used for expanding rebuilding and renovating the Dayton Civic Center. The project is an appropriate use of taxpayer funds because it will provide integral services including core city administrative functions, public meeting spaces, and educational services for youth and seniors. The Civic Center will have the dual purpose of serving as a warming/cooling shelter from extreme weather that the region has become annually subject to.

The project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andrea Salinas  
Member of Congress
