The Honorable Rosa DeLauro
Ranking Member
Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Hubbard Headworks and Grit Wastewater Upgrades in Fiscal Year 2027. The entity to receive funding for this project is the City of Hubbard, located at 3720 2nd Street, Hubbard, Oregon 97032.

The funding would be used for updating the headworks screening and grit removal system at the wastewater treatment plant, which will improve overall system performance, reliability, and long-term cost efficiency.

The project is an appropriate use of taxpayer funds because it will create efficiencies that reduce operating costs and will result in lower utility bills. Additionally, it will provide more capacity for affordable residential housing in the community.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

MEMBER OF CONGRESS
