Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Dallas Mill Station Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Dallas, located at 187 SE Court Street, Dallas Oregon 97338.

The funding would be used to develop 63 units of supported affordable rental housing where 76% of the target population will consist of homeless individuals and families prioritizing veterans, seniors, young adults existing foster care at risk of homelessness, and families with children.

The project is an appropriate use of taxpayer funds because the project will decrease homelessness for veterans and seniors in rural Oregon. Dallas Mill Station supportive housing will help residents stabilize, train through Work Force Oregon, and re-enter the labor force to the benefit of the entire community.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

MEMBER OF CONGRESS
