Dear Chairman Cole and Ranking Member Quigley:

I am requesting funding for the Tigard Emergency Heating and Cooling Center in fiscal year 2024. The entity to receive funding for this project is the City of Tigard located at 13125 SW Hall Blvd, Tigard OR 97223.

The funding would be used for facility repairs and HVAC upgrades for an emergency heating and cooling facility. The project is an appropriate use of taxpayer funds because Tigard has a large homeless population, as well as no requirement on housing to have AC and has recently been subject to extreme heat and cool that results in deaths.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andrea Salinas
Member of Congress
