Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Laurelwood Avenue Neighborhood Access Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Beaverton, located at 12725 SW Millikan Way, Beaverton, Oregon 97005.

The funding would be used to construct a continuous sidewalk facility along the west side of Laurelwood Avenue between Scholls Ferry Road and Laurelwood Court.

The project is an appropriate use of taxpayer funds because the new sidewalk will line single and multifamily homes and provide the community with immediate safe access to community facilities and public transit. This is a key route through Beaverton, connecting residences along Laurelwood Ave and the surrounding neighborhoods to their homes, work, a commercial corridor, parks, schools and churches.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

MEMBER OF CONGRESS
