Chairman

H-305, the Capitol

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Newberg's Water Treatment Plant Basin Covering Project. The City of Newberg is located at 414 E First St, Newberg, OR 97132.

Funds will be used for construction of structures to cover water basins at the Newberg Water Plant. The project is an appropriate use of taxpayer funds because it ensures the Newberg Water Plant is in compliance with state law, while simultaneously ensuring the City maintains a safe, clean water supply.

The project has a federal nexus because the funding provided is for purposes authorized in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
