The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole & Ranking Member DeLauro,

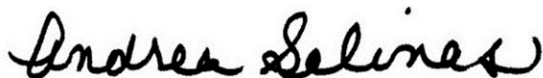

I am requesting funding for the Oregon Department of Transportation's (ODOT) OR 99W Corridor Safety and Intersection Improvements project. The project recipient is ODOT, located at 355 Capitol St. NE.

Funds will be used to make safety improvements at the intersection of OR 99W, Hwy 18, and McDougall Rd. This is a valuable use of taxpayer funds because this intersection is currently the second most dangerous in Oregon, with crashes at the intersection having already claimed multiple lives in 2025.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andrea Salinas  
Member of Congress
