Dear Chairman Cole & Ranking Member DeLauro,

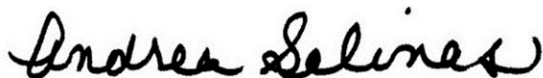

I am requesting funding for the Sheridan School District's Barbara Roberts Career Technical Education Center. The project recipient is the Sheridan School District 48J, located at 435 South Bridge St, Sheridan, OR 97378.

Funds will be used to construct facilities that will be used to provide career technical education to underserved, rural communities. The project is an appropriate use of taxpayer funds because it will provide career pathways to students and adults in need of retraining in a community with a significant low-income population.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andrea Salinas
Member of Congress
