Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Sherwood Rural Broadband Expansion in fiscal year 2024. The entity to receive funding for this project is the City of Sherwood located at 22560 SW Pine Street, Sherwood, OR 97140.

The funding would be used for expanding broadband to three rural areas outside of the City that currently do not have access to broadband. The project is an appropriate use of taxpayer funds because it will provide an integral service to taxpayers and is necessary for access to education, health, and other services.

The project has a Federal nexus because the funding provided is for purposes authorized in 7 U.S. Code section 2250.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andrea Salinas  
Member of Congress
