Dear Chairman Cole & Ranking Member DeLauro,

I am requesting funding for the City of Tualatin's 65th and Borland Intersection Improvement Project. The project recipient is The City of Tualatin, located at 18880 SW Martinazzi Ave, Tualatin, OR 97062.

The 65th and Borland Improvement Project will enhance traffic safety and alleviate congestion at the intersection of SW 65th Avenue and SW Borland Road near Meridian Park Hospital in eastern Tualatin. Key improvements include the addition of a northbound right turn lane at the intersection of SW 65th Avenue and SW Borland Road, reduction of delays and improvements to efficiency, upgrades to traffic safety measures, and improved pedestrian accessibility and walkability. This project is a valuable use of taxpayer funds because the intersection is exceptionally congested, making access to the adjacent hospital difficult and threatening pedestrian safety.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andrea Salinas
Member of Congress
